Important notice from the Department of Developmental Services about:

PERFORMANCE CONTRACT GUIDELINES AND REGIONAL CENTER PERFORMANCE MEASURES FISCAL YEAR 2025-2026

D-2025-Regional Center Operations-002

What to Know

California Law says regional centers must have a yearly plan with the Department to improve services and quality of life for individuals served. These plans are called performance contracts. The performance contracts are made with help from the community. The performance contracts are reviewed by the Department.

The performance contract guidelines have been updated for the 2025-2026 year.

Questions?

Talk to your service coordinator if you have questions.
